- * **Weekly, home-based visits**
- * **Family Interaction Time**
- * **Recovery Supports**

What is a Home Visit?

Home visits are fun! Home Visitors partner with families; bringing activities to assist with a child’s development and supporting caregivers as their child’s first and best teacher!

What is Family Interaction Time?

Family Interaction Time provides opportunities for families to enjoy educational and fun child activities in a family friendly classroom.

What if my child has a disability?

Families First programs serve children with and without disabilities. Your home visitor will work closely with you to meet the individual needs of every child and family
